AMTE メキシコ小集団活動協会, (AMTE, NPO)

MEXICAN NATIONAL CONTEST FOR QCC AND TEAMWORK

Participate in the premier Continuous Improvement event in Mexico!

The National Forum of Improvement and Innovation Teams (FNEMI) serves as the national competition in which Improvement Teams from various sectors vie for the prestigious title of Model Team of the Year.

Successful cases resolved through Problem-Solving and Design-based methodologies will be showcased.

Explore the strategies employed by the nation's premier teams and gain insights from those engaged in projects focused on enhancement and innovation.

- **Date:** November 11-13, 2026
- **Location:** Cancún, Quintana Roo, Mexico
- **Venue:** Fiesta Americana Condesa Hotel

Participants:

Over 50 teams showcasing their success narratives.

- **Methodologies endorsed by the AMTE:**
 - QC Story 1 / Quality Pathway, PDCA, DMAIC, Kaizen Event, Process Reengineering, QC Story 2, Brief Kaizen, Five Steps, New Product Development, SMED, Ergonomics, and additional methodologies.
- **Participating industries:**
 - Automotive, Construction, Manufacturing, Chemicals, Food and Beverage, Energy, Services, and numerous others.
